

# TERRA VINEA GRATIAS

## Location

The Rocbère cellars combine the Portel des Corbières, Peyriac de Mer and Sigean cellars, 20 kilometers from Narbonne in the direction of Perpignan.

## Soils

Clay chalk hillsides and recent alluvia

## Grape varieties

50% Carignan, 40% Grenache, 10% Syrah

## Vinification

The technical means with which the Rocbère cellars are equipped make it possible to vinify the harvest under perfectly controlled conditions. The grapes are destemmed then vinified according to traditional methods.

## Tasting

Supple, round and gouleyant, Terra Vinea Gratias is an easy-to-drink, everyday wine..

**Cellar:** Drink within the year

**Service temperature:** 16-17°C

**Wine-food combinations :** Drink all through the meal
